## Service de Soins Infirmiers A Domicile

Le Service de soins infirmiers à domicile (SSIAD), géré par La Mutualité Française Rhône-Pays de Savoie est un établissement médico-social au sens du code de l'action sociale et des familles (CASF). Il fonctionne avec un budget propre défini par l'Agence Régionale de Santé (ARS).

Les équipes d'aides-soignants.es interviennent au domicile des personnes âgées et/ou en situation de handicap sur les communes de :

- **Annecy**
- **Annecy-le-Vieux**
- **Veyrier-du-Lac**

Fort de son expérience, depuis 38 ans, et de son savoir-faire, notre service dispose d'une véritable culture du soin. Le service a obtenu fin 2018 le label qualité des établissements mutualistes à la fois pour son organisation, la mise en place et le suivi des projets individualisés de soins, la gestion des ressources humaines et la mise en place d'actions de prévention.

## Notre capacité d'accueil est de 115 places :

- **104 pour personnes âgées de 60 ans et plus, malades ou en perte d'autonomie**
- **11 pour personnes adultes de moins de 60 ans présentant un handicap ou atteintes de pathologies chroniques**

# Nos missions

Conformément au Décret n° 2004-613 du 25 juin 2004, **le SSIAD** favorise le maintien à domicile des personnes en perte d'autonomie et pour cela, assure, sur prescription médicale, des soins infirmiers sous forme de soins techniques ou soins de base et relationnels auprès des usagers, afin :

- de retarder au maximum l'institutionnalisation (EHPAD)

- d'éviter les hospitalisations
- de faciliter le retour à domicile après une hospitalisation
- d'accompagner le projet de vie de la personne
- de soutenir la qualité de vie à domicile

et également le soutien aux aidants.

L'intervention du SSIAD est prise en charge à 100% par la caisse d'assurance maladie dont la personne dépend.

Le Service de Soins Infirmiers A Domicile (SSIAD) comprend :

- **L'Équipe Spécialisée Alzheimer (ESA)**

Créée en mars 2012.

Elle propose une prestation individualisée de soins d'accompagnement et de réhabilitation à domicile, prenant en compte le/la patient.e et son entourage.

- **Le Pôle Bien-Etre Autonomie (Pôle BE-A)**

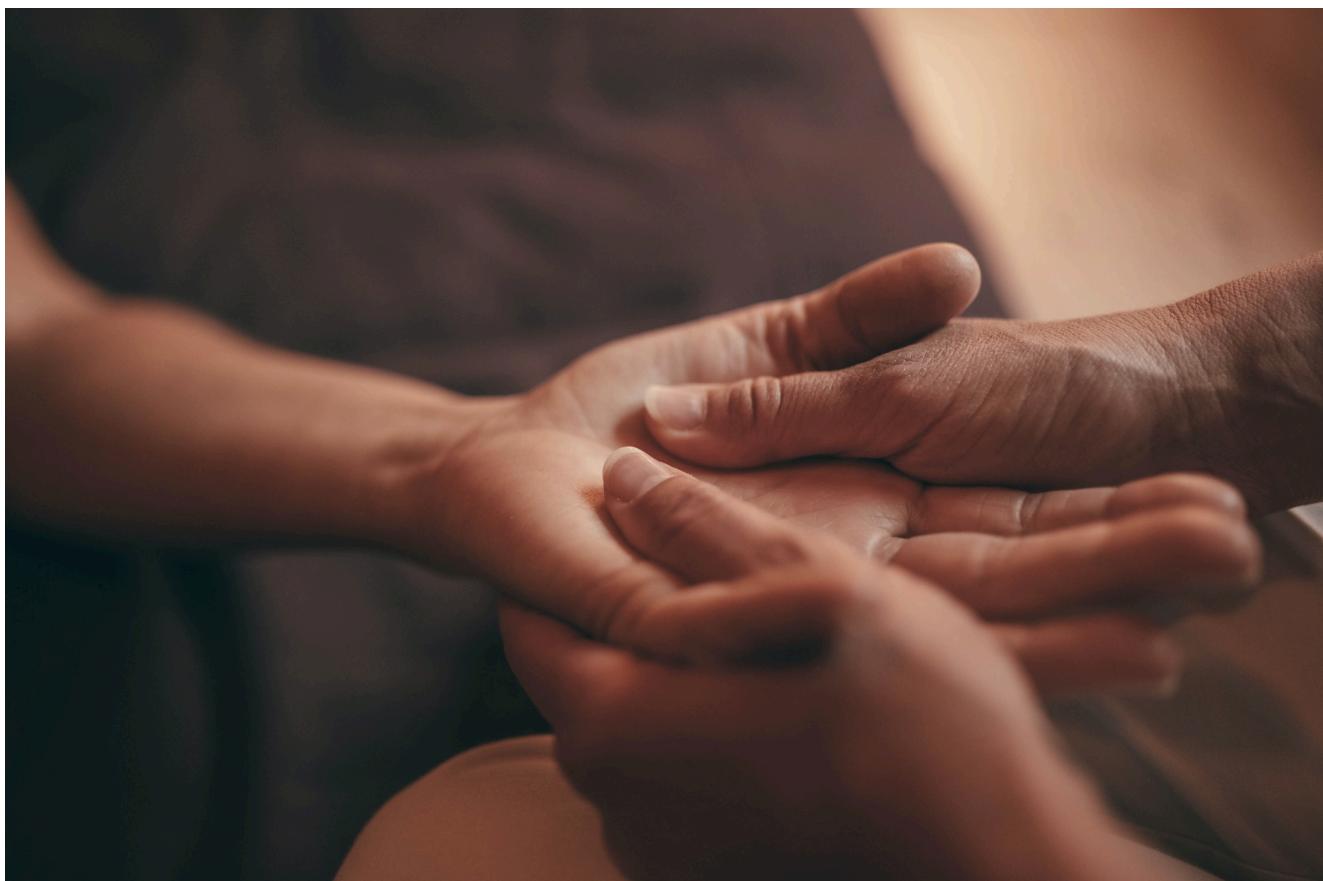

Nous avons développé en novembre 2017 et en parallèle des soins de nursing habituels (soins d'hygiène) un véritable programme de soins en direction des personnes âgées à domicile dénommé le Pôle Bien-être Autonomie (Pôle BE-A).
